

I'm listening to your
idea, but here's
what I think...

I'm listening but
don't understand,
can you explain...

I agree with
him/her because...

I respectfully
disagree with
him/her because...

We saw the same
thing in our group,
but thought...

We saw something
different in our
group, and thought...

We had a
different idea...

We like the idea,
what evidence
do you have...

Student Example...
